

Knuckle-joint press type HP 150-KT

Technical data HP150KT (ref.760006)

adjustable distance	mm	60-110
distance spindle-column	mm	60
spindle bore	mm	7H7
depth	mm	20
table	mm	50x80
travel	mm	30
total height	mm	430
pressure power	kN	2
weight	kg	6.5

* the power data is based on the premise of a fatigue-free
using during a working-day.
