

Knuckle-joint press HP 250-K

Article-Nr.: HP 250-K (ref.760014)

Colour : White

Technical data

HP 250-K

adjustable distance	50-250mm
distance spindle-column	75mm
slot width	10H11
spindle bore	10H7, 25mm depth
table	80x120mm
travel	35mm
total height max	720mm
pressure power*	5kN
transmission	through knuckle-joint
weight	20,5kg

* The power rating is based on the premise of a fatigue-free operation during a working day.
